Spanner	Nut	Spring washer	Flat washer
M8 · × 1	M8 · × 8	Ø8 · × 8	Ø8 · × 8

Protect the surface
Work on a blanket or the flattened carton so the tabletop is not scratched.

Check the contents
Count the parts against this list. If anything is missing or damaged, contact us before you start.

Lift with two people
Two people are recommended to turn the table over and stand it upright.

Mind your fingers
Keep fingers clear of the slide rails while moving the extension leaves.

STEP

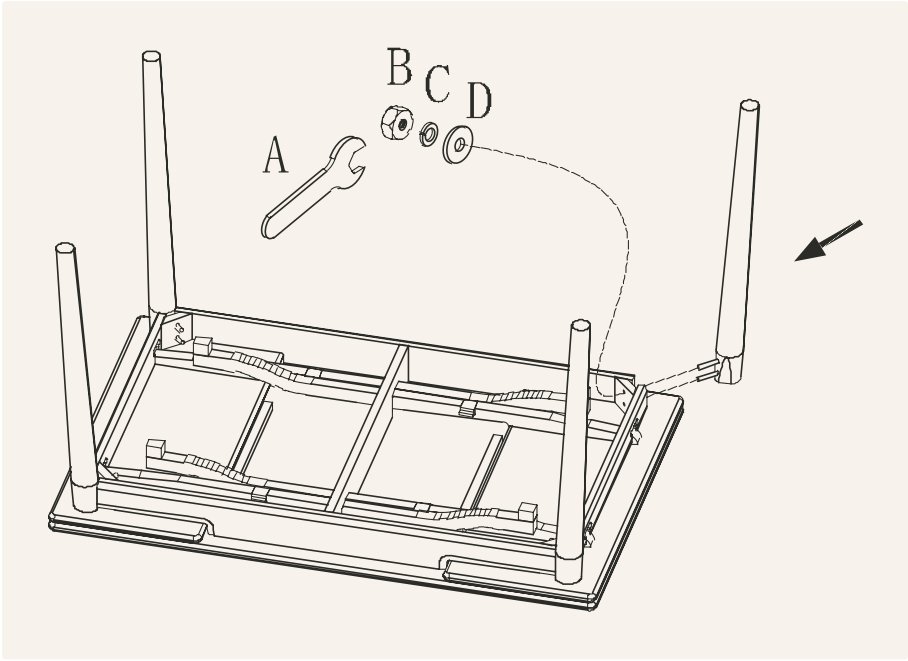

01

Attach the legs

Lay the table on its side or upside down.

Fit each leg to its matching holes.

Secure with a flat washer (D), a spring washer (C) and a nut (B) as shown, then tighten with the spanner (A).

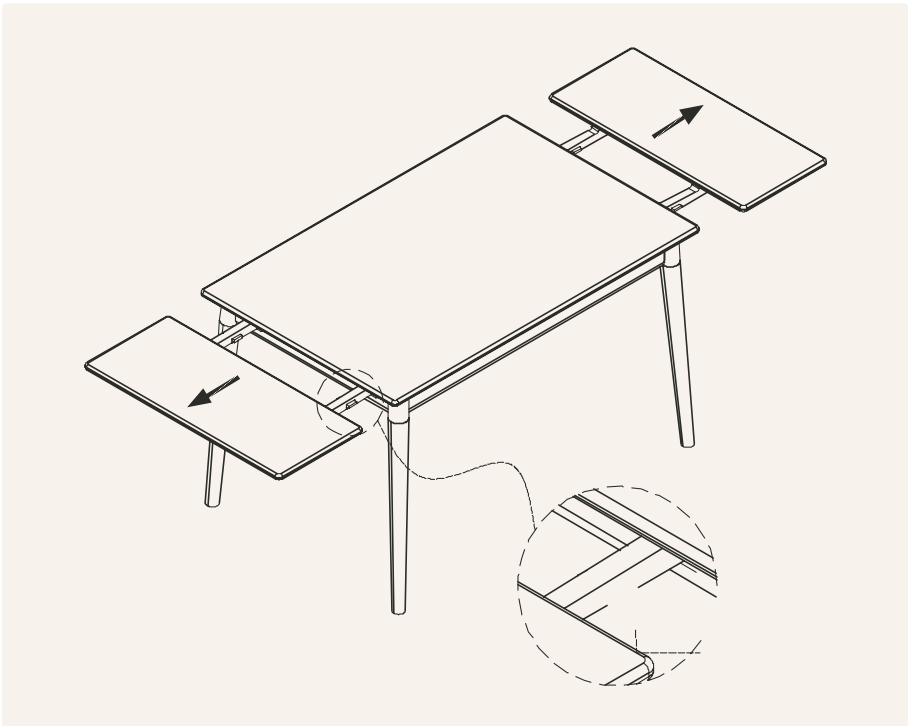

STEP

02

Pull out the extension leaves

Stand the table upright.

Before using the extension leaves, pull both leaves out until the support blocks are visible outside the frame.

STEP

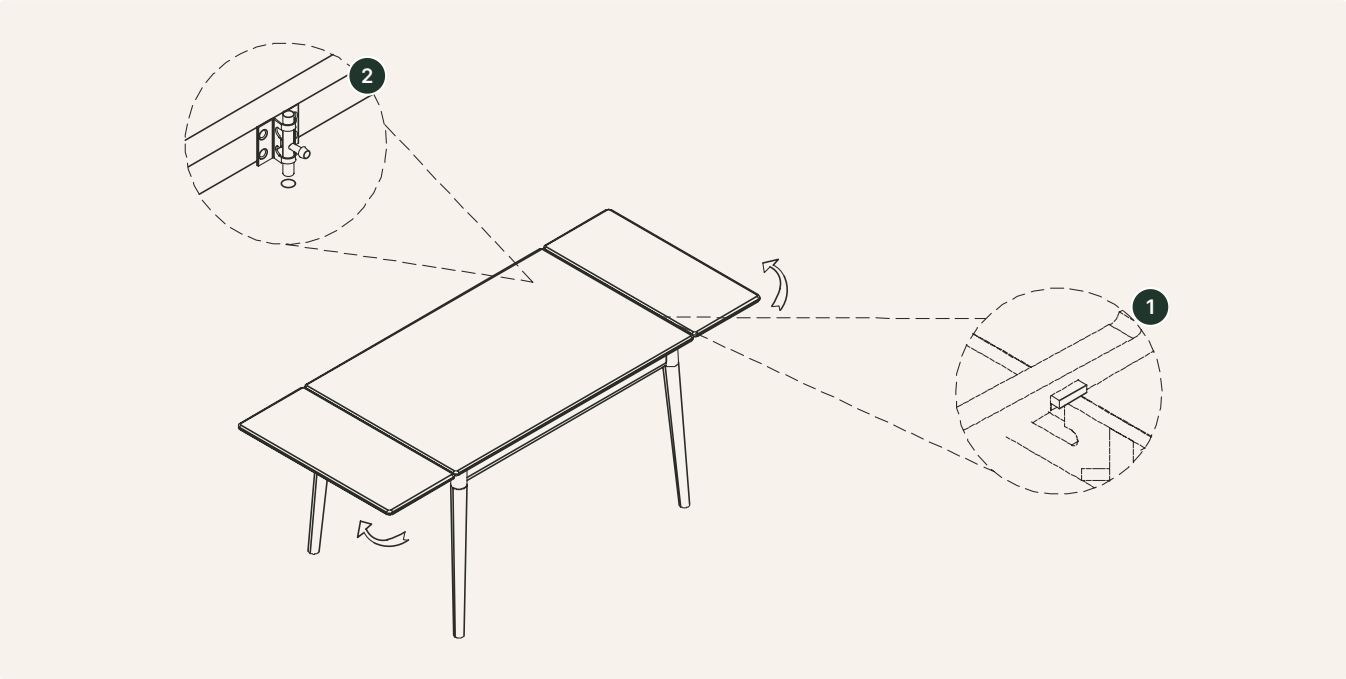

03

Position and secure the leaves

Lift each leaf slightly and rest its support block in the notch on the outer frame (1).

Line both leaves up flush with the centre top.

Then insert the locating pins on the slide rails into the leaves to secure them (2).

(1) Support block seated in frame notch (2) Locating pin

BEFORE USE

Check that all leg nuts are tight and both leaves are secured by the locating pins.

SOLID TIMBER

Oak moves with the seasons. Check the leg nuts periodically and tighten if needed.

EVERYDAY CARE

Wipe with a soft, dry cloth. Use coasters and placemats under hot or wet items.

WARRANTY

10-year warranty on the solid timber structure; 1-year warranty on all other parts. Full terms: oakwalnut.com.au/pages/warranty
