Protect the surface
Work on a blanket or the flattened carton so the surface is not scratched.

Check the contents
Count the parts against this list. If anything is missing or damaged, contact us before you start.

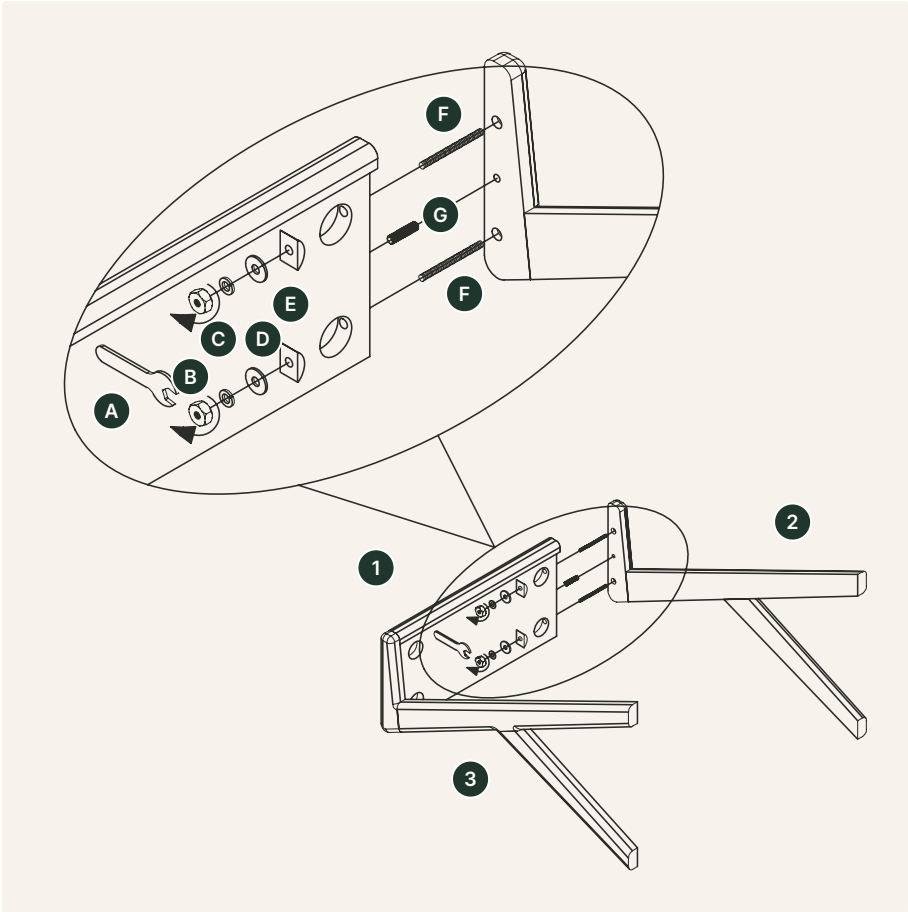

STEP

01

Attach the shelf to the side legs

Following the part positions, the matching holes and the order of the fittings shown, assemble the shelf 1 with the side legs 2 and 3.

Fit the threaded rods (F) and the dowel (G), then the half-moon fitting (E), flat washer (D), spring washer (C) and nut (B) as shown. Tighten with the spanner (A).

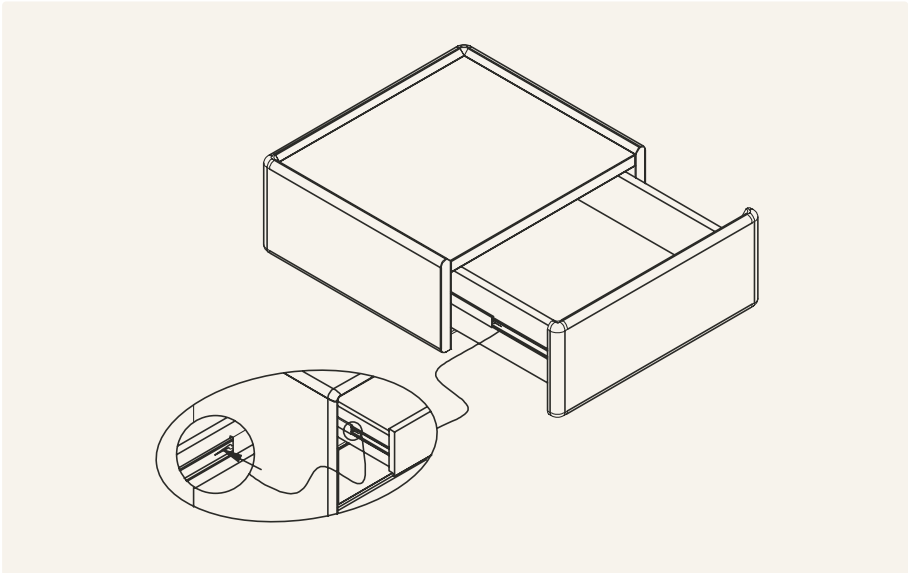

STEP

02

Remove the drawer

First take the drawer out, as shown.

Pull the drawer out. Then, at the plastic clips on the left and right sides of the drawer, lift the left-hand clip up and press the right-hand clip down while pulling the drawer out.

STEP

03

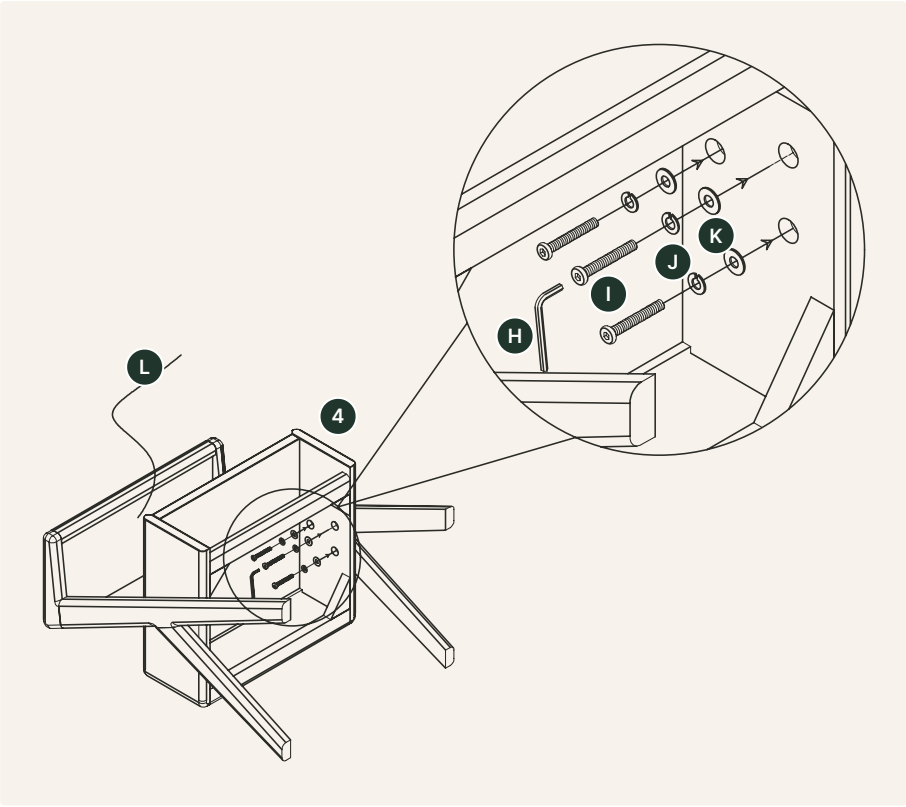

Attach the cabinet to the side legs

Following the part positions, the matching holes and the order of the fittings shown, assemble the cabinet (4) with the side legs.

Fit each bolt (I) with a spring washer (J) and a flat washer (K) as shown. Tighten with the Allen key (H).

The small metal plate for the magnetic light (L) can be fixed in a position of your choice.

When assembly is complete, line the drawer up with the runners and push it back in. Then place the bedside table in position.

EVERYDAY CARE

Wipe with a soft, dry cloth.

SOLID TIMBER

Oak moves with the seasons. Check the fittings periodically and tighten if needed.

WARRANTY

10-year warranty on the solid timber structure; 1-year warranty on all other parts. Full terms: oakwalnut.com.au/pages/warranty
